A City Consumed Urban Commerce

“A City Consumed is an illuminating study of urban commerce and consumer politics in Cairo during the first half of the 20th century . . . A City Consumed skillfully combines economic and business history with questions about national subject formation and anti-colonial discourse . . . Through the innovative use of diverse sources—memoirs, magazines, films, advertisements and cartoons, and archival records—she vividly reconstructs the history of urban commerce and consumer politics.

A City Consumed: Urban Commerce, the Cairo Fire, and the ...

Though now remembered as an act of anti-colonial protest leading to the Egyptian military coup of 1952, the Cairo Fire that burned through downtown stores and businesses appeared to many at the time as an act of urban self-destruction and national suicide. The logic behind this latter view has now been largely lost. Offering a revised history, this book looks to the decades leading up to the ...

The Urban Assembly School for Global Commerce
New York City - New York City - The boroughs: The administrative structure of New York was shaped by the consolidation of the greater city in January 1898. Following the 19th-century pattern of urban imperialism, and in large part spurred by the challenge that Chicago posed to its primacy, modern New York was formed when the independent city of Brooklyn, the portion of Westchester county ...
